PREVIEW 1:30PM SALE 5:00PM
CLARESHOLM AGRIPLEX

Welcome

Our mission is to present a sale that showcases top-quality horses from exceptional trainers and producers. Each horse has been thoughtfully selected to ensure quality, consistency, and a diverse offering suited to a wide range of buyers. We take great pride in the marketing experience our team delivers, with the goal of helping buyers purchase with confidence. Our commitment is to build a successful sale that continues to grow each year while contributing positively to the horse industry.

We are once again extremely proud of the horses consigned to this year's event. We extend our sincere thanks to all consignors for their hard work, and for the trust and support they place in CASH to promote their horses.

The weekend kicks off with an exciting and meaningful addition to our Breakaway Roping, held Friday, May 15th. This special event is more than a showcase of talent; it is an opportunity for our community to come together in support of the Rope Like a Girl Foundation, with all proceeds donated in loving memory of Oaklynn Domer. We are honored to host a roping that not only brings top competitors to the arena, but also carries forward a legacy of strength, heart, and purpose.

We look forward to welcoming everyone on the May long weekend!

NOTES: Justa Two Steppin, 'Sunny' is a gorgeous 5 year old palomino gelding that'll get you noticed anywhere you go. He stands about 15 hands and is smooth made. Sunny has seen all aspects of ranch life from calving cows to branding calves. He has put in long days chasing cows in the foothills. Has been ridden through creeks and thick brush. Had had plenty of roping experience on the ranch and wouldn't take much to turn him into a rope horse if that's what your looking for. He was the go to for my wife to go and throw her English saddle on this winter and he rode around as good for her as he does for me. Stands good for farrier, loads like a dream and up to date on teeth and deworming. For more information or to come out and try him call Adam 587-229-3915

NOTES: Pac-Man is a home raised 4yr old that grew up in southern Alberta in the mountains. Standing at a strong 15.3h with a size 1 shoe. His looks are only half the selling features. Where he's no stranger to big miles he is also sure footed when it comes to rocky terrain, rivers, wide open fields and branding pens. He's an easy pick of the herd everyday with his sensible attitude and eager work ethic. He has made many outdoor miles but equal indoor. Confident in his maneuvers, he spins with ease, stops correct and soft and has mastered the rocking horse lope with a loose guided rein. His arena resume doesn't stop there. He has been started on the Head side and is a strong candidate for a team ropers dream. He reads a cow with quiet confidence and is the same horse everyday. Pac-Man would fit many many styles of homes. He has been ridden by 80yr olds, 8yr olds and everything in between. He's a gentle giant with his whole life ahead of him.

NOTES: Ruff Cuttin Diamond (LTE \$10k) x CW Smart Chic x CW Smart Lil Strait (LTE \$40k NCHA) Standing 14.1 hands, Oakley is a solid, good-minded young gelding with our program behind him. We started him as a two-year-old and liked him enough that we bought him as a three-year-old. He's been ridden consistently and has seen a lot of outside miles, including time in the community pasture. Oakley has been breakaway roped on steadily and is showing real promise—very stoppy, stands quiet in the box, and rates naturally. He stays soft, lopes around correct, and is the same horse wherever you take him. He's kind, in-your-pocket, and easy to be around every day. Easy to catch, he stands well for the farrier. The type that's enjoyable to ride and has the ability to keep progressing. Oakley has a bright future ahead of him.

NOTES: Hickory is a solid 5 year old rabicano mare standing 14.1 hh. She is stout made, correct and good minded. She has been my main using horse for the past two years. I have had Hickory since she was a weanling. She has always been very personable and gentle. Hickory is happy to do any job, she has seen all aspects of ranch work, has been used in ranch rodeos and has extensive miles in the feedlot. Hickory was my go to horse this past summer at a grazing co-op for something I can enjoy my day on and get a job done. Sure footed and knows how to take care of herself in all sorts of terrain. She saddles and rides off with no worries after time off. This mare is solid in the branding pen (head/heel or snag and drag), as well as for doctoring and tying off in the pasture. She is good to catch, tie, bath and load. Hickory has a very kind personality and is overall just a pleasure to be around. I am very proud to offer this outstanding mare.

Her pedigree is stacked with proven blood lines and comes with many barrel and roping incentives including: Royal Crown Canada, Royal Crown US, Breeders Elite Incentive, Western Fortunes, CBHI & VGBRA. Nickid Onions' sire Nickster is an extremely popular stallion in Canada right now - with his progeny earnings over \$500,000. He is the sire of Pro Rodeo, Futurity, Derby, Heading and Heeling earning offspring. This filly's maternal grandsire "Martha Six Moons" is a full brother to Baby Blue Jeans, the dam of Lindsey Sears' great mare Sugar Moon Express "Martha." Nickid Onions has had many hours of ground work - she stands tied, easily loads in the trailer, picks up her feet and is great to be around. With her conformation, pedigree and ground work she would be an excellent addition to any program.

She is the horse we all fight over when having to go get a job done, anything from moving and sorting cattle to dragging calves to the fire. She has also been used in the arena in both the roping and barrel racing. When she was 7 we decided to start her in the roping pen and this is where she shines. Fizz is a big stout mare and handles cattle with ease. We are selling her as primarily a rope horse but she is a darn good all around horse. You can take her to a branding, to a roping and even to the local barrel jackpot and get the job done!

He's as easy to be around as he is to catch, good with kids, and gets along with anybody. When it comes to the job, Denali means business. He watches a cow with focus and intensity, and don't let his size fool you — he holds his own on the end of a rope remarkably well. He's done every aspect of ranch work, handles pressure without missing a beat, and very little rattles him. His pedigree backs up everything you see on the ground and his ranch resume is the real deal. If you're looking for a horse that's capable, quiet, and doesn't give you a reason to worry — Denali is worth a hard look.

Ranch raised and started as a 2-year-old. Since then, he's done a bit of everything—flag work, cow work, turning back, pasture riding, time in the mountains, and dragging calves in the branding pen. He's easygoing by nature, has a good mind, and shows plenty of natural cow sense.

Tamale has a solid start in the breakaway roping and heeling. He's spent time with Lochlan Christianson and is shaping up to be a real nice horse. If you're looking for a sharp, capable ranch/rope/cow horse with an excellent start and lots of years to enjoy, Tamale is one to take a look at.

With her ability, mindset, and athleticism, she's a standout performance prospect. We feel she would excel in a performance focused home where she can continue to develop her skills. He has been our main ranch horse for the last 6 years, has won money in open ropings on the head side, qualified for short rounds in the 7.5 with a lower numbered roper, and won a bit breakaway roping too. He is easy in the box, leaves off your hand, and knows his job in the field. He'll take whoever's on his back to the pay window more often than not! Ron has drug hundreds of calves to the fire, pasture doctored, sorted pairs, and has done all of the odd jobs around the ranch. He is a true all-around gelding that anyone can enjoy!

Ron does get yearly performance horse maintenance from our veterinarian to keep him feeling his best, and we are happy to discuss this with potential buyers.

NOTES: Freckles is the kind of horse everyone looks for but few ever find. He's a proven money earner and finals qualifier with the kind of mind and talent that makes him an asset in any program. 2024 Highlight Accomplishments:

2x BCRA Breakaway Champion + multiple placings, BCRA Finals Qualifier in both open & Junior Breakaway (finals fast time), Winner of the Ty Yost Mega Bucks Heeling, Multiple Rodeo & Jackpot Heading placings. Freckles is calm, confident, and safe in the box. He is a smooth, flat mover with a big stop. He pulls steers across the pen with ease. Freckles is the perfect balance of gentle minded, yet all business on a cow. He has been hauled up and down the road, and seen multiple arenas and setups. He is great on the ranch, being very sure footed. Freckles has rock solid conformation with great bone and strong feet. Whether you're a #3-5 header or heeler looking for consistency, or a junior/high school rodeocompetitor wanting a horse to take you to the pay window, Freckles will get you there. NOTES: Potato is a 2012 gelding that has been hauled in the heeling but not over used and played with in the practice pen in the breakaway.

He's fast footed with a nice stop, we will continue to haul him this spring in the heeling until sale day. He has good bone and good feet, been shoed before but is not a requirement.

Ride him everyday or turn him out for 6 months he has no buck, he has never bucked or even thought about bucking. His down fall is he is a bit herd bound and will whinny and dance around. Not dangerous or scary in anyway, to ride out in the pasture by yourself he will go somewhere in a hurry. For a little horse he can really travel and will trot all day long, I think he enjoys it. He had his teeth done in January of this year, he is ready for you to take and win on!

Although he only stands at 14.2 and wears a size O shoe, he makes up for his size with his correct confirmation and gentle personality. If you're looking for a prospect that would make a great youth horse, who is a true gentleman, with tons of natural ability and is very willing to learn then Slim would be one worth pursuing. He's also been started breakaway roping, and shows his potential to be exceptional there as well. Hollywood has also tried his hand at reining! He's been shown in some smaller events, where he showcased his big stop and natural lead changes. He's been to the mountains and seen some miles and work on the ranch. He has never offered to buck or bolt, is very well behaved and mannerly, however he does lean to a nervous temperament, so is recommended for competent intermediate and above.
